Mr Hogarth's Will By Catherine Helen Spence (1825-1910)

Jane and Elsie Melville were raised by their kindly but eccentric uncle, Mr Hogarth who believed that women were just as good as men, and thus gave his nieces a boy's education. Upon his death, they find that he has left his entire fortune to his heretofore unknown son and left them only a small allowance, expecting them to make their own way in the world using the education he furnished them. Will the girls survive in a world that expects them, at the most, to become governesses? (summary by Karen Savage)

Total running time: 13:52:29. Read by Karen Savage, Amanda Hindman, Rechelle, redabus, Sibella Denton, & Jilliane Brandt.
